Covid Protocols

A negative covid test within 72 hours of the start of camp (Thursday evening) will be required. Masks are encouraged. Classes will be held outside when possible. All campers, instructors, and staff are required to be fully vaccinated. No outside field trips will take place until further notice.

Meal Info

Lunches and afternoon snacks are provided for all students. Breakfasts and dinners are provided for sleepover or additional meal plan campers only. Thursday supper and Sunday brunch, however, are for EVERYONE! Make sure to put your name on a Camp Cup. That's your cup for the whole weekend and if you need it washed, just deliver it to Miss Lela and she'll take care of everything.

Showers

All campers staying on-site will use the downstairs showers. All campers may use any toilet or sink in the house. There is also a porta-john available outside for anyone's use. Campers assigned to the cabin outside should use the showers in the main house. There is a sink available and jugs of water but no running water in the cabin. There is electricity and a space heater in the cabin as well.

Plumbing

We operate on a septic system most likely not designed to accommodate an entire music camp. Please do not flush anything but toilet paper. Ever. For any reason. Thanking you in advance.

Night Events

All campers are welcome to take part in evening activities regardless of day camp or sleepover status. Guests are currently prohibited from camp until further notice.

Morning Meeting

Find your way to the Great Room every morning after breakfast and before Core Classes to hear the day's announcements. Be in the know!

Recording with Your Heroes

Our camp instructors will be available to record a song/tune with any campers who choose to sign up for the recording experience. You can do a duet with the instructor or get a group of campers together – however you want to do it! Use the scheduled Saturday evening time to get an arrangement together and rehearse. If you ask around amongst the other instructors or your camp directors, you might have the option of additional rhythm guitar, fiddle, or vocals on your recording. This year, the recording process will work a little differently. We're going to combine the option of doing a nice, fun, low pressure video recording along with an informal staff concert/jam, all up in the Great Room. More info to come in the morning meetings.
