Meal Info

Breakfast, lunches and afternoon snacks are provided for all students. Dinners are provided for sleepover or additional meal plan campers only. Thursday supper and Sunday brunch, however, are for EVERYONE! Make sure to put your name on a Camp Cup. That's your cup for the whole weekend and if you need it washed, just deliver it to Miss Lela and she'll take care of everything.

Showers

All campers staying on-site will use the downstairs showers. All campers may use any toilet or sink in the house. There is also a porta-john available outside for anyone's use. Campers assigned to the cabin outside should use the showers in the main house. There is a sink available and jugs of water but no running water in the cabin. There is electricity and a space heater in the cabin as well.

Plumbing

We operate on a septic system most likely not designed to accommodate an entire music camp. Please do not flush anything but toilet paper. Ever. For any reason. Thanking you in advance. If there is a plumbing backup, please let one of us know immediately. No shame!

Parking

If you are lodging overnight at camp, please park in the yard, up against the fence, as long as it's not incredibly rainy. If conditions are extremely wet, please park down in front of the garage or along the concrete driveway and keep at least one wheel on the concrete. If you are staying off site and coming and going each day, please park in front of the garage or on the concrete driveway instead of going up the ramp to the yard.

Fragrances

Because we are in small enclosed spaces throughout the weekend, please refrain from wearing any cologne or perfume during camp.

Night Events

All campers are welcome to take part in evening activities regardless of day camp or sleepover status.

Morning Meeting

Find your way to the Great Room every morning after breakfast and before Core Classes to hear the day's announcements. Be in the know!

Recording with Your Heroes

We will cap off the weekend with each group performing and filming their favorite song in the Great Room with the rest of the campers acting as audience and cheerleaders. It's going to be a nice, fun, low pressure video recording experience up in the Great Room. More info to come in the morning meetings. Also, during brunch time, all instructors will be selling their incredible recordings and instructional materials up in the Great Room. Don't miss that!
